for Fiscal Year 2014 Evaluation Period

## Executive Summary

### Overview

In accordance with Texas Occupations Code §1701.304, the Texas Commission on Law Enforcement (TCOLE) administers three basic licensing examinations. The Basic Peace Officer, Basic County Corrections, and Telecommunicators. Exams are administered electronically by 75 exam sites throughout the state (including the Austin office).

Section 1701.254 of the Texas Occupations Code requires TCOLE to evaluate training providers based on the scores from the basic licensing exams. TCOLE has implemented Rule 215.13 to be used to determine whether training providers conducting basic licensing courses are 'at-risk'. These licensing exams are based on the current basic curriculum with a required first attempt pass rate of 80% or above for all students attempting the exam.

A law enforcement academy may be found at risk and placed on at-risk probationary status if the passing rate is less than 80 percent of the students attempting the licensing exam for the first attempts for any three consecutive state fiscal years. This three year standard is calculated on a revolving basis. For fiscal year 2014, the three year pass rate will be based on all students attempting the exam from September 1, 2011 through August 31, 2014.

Passing percentages for 140 training providers conducting either the basic peace officer/basic county corrections officer/or telecommunicator training course(s) have been calculated and reported utilizing the rosters and exam dates during this evaluation period. *(Note: Since a full fiscal year was not completed by the completion of the 2014 fiscal year, data on this report for this category is listed for reference purposes only. It will not figure in to this year's three year pass rate score.)*

### Basic Peace Officer Examinations

In the three state fiscal years (2012, 2013, and 2014), there were 11,627 individuals who passed on the first attempt among 86 training providers for the basic peace officer licensing exam. Of those providers 84 met or exceeded the 80 percent average for first attempts during three fiscal years.

### Basic County Corrections Examinations

In the three state fiscal years (2011, 2012, and 2013), there were 8,083 individuals who passed on the first attempt among 60 training providers for the basic county corrections officer licensing exam. Of those providers 59 met or exceeded the 80 percent average for first attempts during three fiscal years.
